

November 2008

Every year, the **Talent Alert Division** of Executive Connections, LLC selects and coaches—pro-bono—one or two "**Rising Young Stars**" and then presents them to you, our connections, for your consideration—at no cost to you!

These are talented, motivated, entry-level future leaders you will be eager to consider. Working with them is part of EC's ongoing philanthropic commitment to coach young leaders who will make a difference and to provide you with the opportunity to have them "pre-screened and buffed."

Today, we are pleased to introduce you to **Caitrin Fee**, one of this year's "Rising Young Stars."

Caitrin is seeking a full-time creative position where her fine art, entrepreneurial and leadership skills will be fully maximized. We are confident Caitrin will make a strong, positive contribution to your organization, should you choose to employ her.

Attached is a copy of Caitrin's resume for your review. Please let us know if you would be interested in meeting with/interviewing Caitrin Fee.

Thanks once again for connecting and being connected.
